Ok let's touch base on a process for this.

FYI comments from Tod Siegal on the ACHP close-out letter. In all the craziness Friday I forgot to coordinate the letter with Tod and Simma prior to it going to senior leadership. Luckily, Tod's comments were relatively minor so hopefully we can address them before the letter is sent to the ACHP. Although it's unclear, it does not appear that he shared his comments with senior leadership.

Thanks,

Matt

Michael and Matt. I see that the ACHP close-out letter has gone to senior leadership, which is fine. For what it's worth, I took a quick look and spotted a few minor things that might be worth addressing, if the process allows. (I have not taken another look at the NHPA RTC.)

Thanks for all of the continuing incredible (time-crunched) work!

Subject: Deliberative - Action Requested - Draft letter to ACHP and draft RTC for 106 consultation

Deliberative

All,

Attached for your review is a draft letter to the ACHP to close out consultation and document our compliance with Section 106 of the NHPA. You will note this letter is crafted to follow execution of the PA.

In addition I am attaching the draft response to comments for the NHPA 106 consulting parties. This document is different from our RTC for the assumption process in that we are actually responding to each comment (no roll up of comments) from each of the consulting parties. The comments are in black text and our response is shown in red text.

We are still developing the actual letter for each of the consulting parties other than the ACHP (5 Tribes, the FL SHPO and FDEP) to close out consultation. We will use a template, which will be short and modeled on the ACHP letter. I do not anticipate sending the template forward over the weekend, but sometime on Monday. These letters will be the vehicle we use to convey the RTC to each consulting party.

With this submission, I have forwarded all documents that we currently have ready for review.

Once we receive your comments, we will begin to finalize the documents.

Thanks
Jeaneanne
